FRIEND OF SPA MEMBERSHIP ELIGIBILITY CRITERIA

We encourage individuals who have an interest in suicide prevention, including those with a lived experience of suicide, but are not active within the field, to become a Friend of SPA.

Constituted organisations are not eligible to become a Friend of SPA Membership and are instead invited to join as an Organisation Member using the Organisation Member form. If you are active within the suicide prevention sector, we recommend you apply for Associate Membership with SPA.

Membership as a Friend is free of charge but does need to be renewed annually.

By applying to become a Friend of SPA, you agree to support the SPA Aims & Objectives and be bound by the SPA Constitution.
